TRAININGS

Figma UI/UX Design Course
udemy, Online
Aug 2020 - Aug 2020
I completed my Udemy Course on UI/UX development using Figma. The course was very useful for me and started from basics for eg. Slice tool, Frames, etc. The instructor also taught about designing and wireframing different components and user flows.

WebDevelopment BootCamp
udemy, Online
Jul 2020 - Aug 2020
Full stack Web development course
